

Bacon's Christmas Tree Farm

Christmas Tree

Traditional - not so traditional - Christmas tree made with Noble Fir and highlighted with Juniper, Incense Cedar and pine cones.

Boughs & Tips

18" - 32"

Noble Fir is a beautiful bough with blue cast. Silver Fir is a rich deep green with silver underside. Harvested from the high mountains.

Juniper Wreath

Varied sizes
10" to 30"

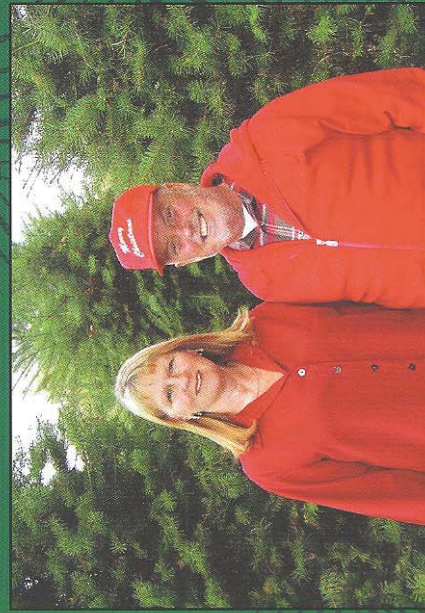

Blue berried Oregon Juniper makes a refreshingly different wreath. Exceptionally long lasting.

Assorted Christmas Greens

20" to 30"

Princess Pine is a rich green needle that casts silver blue.
Long lasting Juniper is outstanding for its fragrance, and is decked with silver/blue berries.
Incense Cedar trimmed with small yellow buds has a very pleasant aroma.
